The screenshot shows the homepage of the Manuscript Peer-Review Process (MPRP) website. The header features the logo and name 'Manuscript Peer-Review Process' on the left, and contact information including an email address (support@aprd.in), a phone number (+91-11-638414, 638415 | 9850436448), and a WhatsApp icon on the right. A navigation menu below the header includes links for 'About MRP', 'Journals', 'Support and Training', 'Contact us', 'Track article status', 'Register', and 'Login'. The main content area is titled 'Manuscript Peer-Review Process' and contains a detailed description of the web-based portal, its 24/7 accessibility, and the range of editorial services it provides. An illustration of a person working at a computer is shown to the right of the text. Below the main text, there is a section titled 'Why MRP?' with a small introductory sentence.

Manuscript Peer-Review Process

Manuscript Peer-Review Process is a web-based portal that can be accessed 24*7 under good internet connection. It is a set of editorial services that allows a user to run a journal efficiently. It includes journal pre-publication services, editorial workflow & post publication services. We provide a high level of flexibility, so you can select the services you need and integrate your existing workflow. It allows smooth flow of all publication functions of an editorial office on a single independent platform, no software installation is required, only requires Username, Password to login in different panels.

MPRP manages all the authors, reviewers, editors' details and its integration with the social and professional network. It is inhouse product of IP Innovative Publication Pvt.Ltd which is managed and operated by Innovative Publication and currently running with around 50+ Journals.

Why MRP?

If your research is ready to share with world, our submission portal will help you with a user-friendly platform to submit your
